

POSITION TITLE

Subsurface Utility Engineering (SUE) Designator

DIRECTION

Under the direction of a SUE Director, this SUE Designator will perform work involving visual inspection of predefined construction areas, as well as reading and interpreting utility maps to determine the presence of underground utilities. These utilities may include gas, electric, cable TV, telecommunications, sanitary sewer, water lines, street lighting, and other facilities within the predefined construction area.

DUTIES AND RESPONSIBILITIES

- Receive, document, and close-out excavation notices.
- Read and interpret utility maps/prints to identify the type and size of underground utilities.
- Use assigned communication equipment to effectively communicate with excavators, utility reps, and company personnel regarding underground facilities.
- Operate different electronic detection equipment to locate and mark underground facilities within prescribed accuracy limits.
- Perform light excavation to expose buried utilities when necessary.
- Provide accurate documentation and/or sketches related to all locates completed.
- Receive and respond to excavation notices during normal and after hours in accordance with established time requirements.
- Perform manhole entry using assigned equipment and safety devices.

QUALIFICATIONS

- High school diploma or equivalent
- 5+ years of experience (preferred)
- Proficiently utilize radio detection and GPR units for location and designations
- Ability to walk long distances and long hours (nights, weekend, and out of town work possible)
- Adhere to Croy safety guidelines, including work using GPI-standard PPE (e.g., hard hat, safety vest, work boots, and safety glasses/goggles)
- Valid driver's license and clean motor vehicle report
- Must be able to pass background check as a part of employment screening

ABOUT THE ROLE

- Position Location – Marietta, Ga.
- Employment Status – Full-time
- Education Requirement – High School/GED
- Compensation – Based upon experience
- Benefits – Health insurance, 401(k), short-term and long-term disability insurance, dental insurance, wellness program, one month paid vacation (accrued), and ten paid holidays

ABOUT CROY

Croy is an award-winning, full-service consulting firm with offices across the Southeast. Our firm is positioned perfectly in the marketplace between Chattanooga, Huntsville, and Atlanta. We believe in building relationships, maintaining healthy and strong relationships, and acting in the best interest of our client, employees, and investors. We emphasize quality and value ingenuity. We provide service on various projects and contracts through GDOT, cities, counties, as well as working with private development firms. Our surveying department has long-term, steady work and we are looking for someone who will add to this stability. The ideal candidate will welcome new challenges, technology, and a healthy team environment.
