CENTER

## **Who are we?**

The ACCS Innovation Center, a division of the Alabama Community College System, empowers individuals and enhances Alabama's economic vitality through innovative and accessible training programs, bridging the skills gap and preparing Alabamians for in-demand careers. By uniting community colleges, businesses, and partners, we create Skills for Success courses that offer rapid, industry-recognized non-credit training in high-demand fields, building a skilled workforce for Alabamians by Alabamians.
